

Spencer Hockey Club — Our Vision

To become the premier community-based hockey club in London

In delivering our vision we will adhere to the following body of principles:

Performance and Progression

- Support England Hockey's strategic objectives
- Deliver safe, friendly and competitive hockey for all teams through collaborative team management
- Agree realistic targets and achievable plans year on year for Spencer's development
- Deliver the best environment for all our members

Partnering and People

- Work together with our community in a unified, inclusive way in the interests of the Spencer club as a whole
- Promote a stimulating and challenging hockey environment underpinned by continuous improvement in skills and tactics
- Value our members for their skills, knowledge and diversity, and empower to help achieve our club-wide goals

Trust and Impartiality

- Act fairly and ethically, and be sensitive to the needs of all our members
- Respect all information given and received
- Ensure our processes and behaviours are open and visible
- Be receptive and open to the ideas of others

Consolidate and Innovate

- Unite our extensive club membership and strengthen and develop to make the club effective, efficient and beneficial to all members
- Innovate and challenge in all that we do
